

got vocations? pass the jug!

Will Your Council Do More for Pennies for Heaven?

**Consider this appeal from Brother Knight Ed Olenhouse
of St. Brandon Council 11208 in the Columbus Diocese:**

“As we are aware, our priests have been under much scrutiny in recent years. We have stood up to this and have asked our fellow Catholics to support and say thanks to our priests...We support our ‘priestly vocations via our Pennies for Heaven program. Many of you know this as ‘Pass the Jug.’ We are suppose to do this at our meetings and projects...but I think each council can do more. I challenge each council to go outside its normal meeting and activities and collect from parish members.”

Work directly with your pastor or parish vocations committee on increasing awareness for vocations – GOT VOCATIONS? Pass the jug, and then go beyond the jug with a special activity within your council or parish benefiting your Pennies for Heaven efforts.

Remember: councils reaching \$1,000 receive special recognition at the annual State Convention. But it’s more than just the dollars – it’s the satisfaction of supporting your diocesan vocations – and the men studying to become our next generation of priests.
